

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re patent application of:

Ye, *et al.*

Appl. No.: 10/755,854

Filed: January 13, 2004

For: **Eosinophil-Derived Neurotoxin as a
Marker for Ovarian Cancer**

Art Unit: to be assigned

Examiner: to be assigned

Atty. Dkt.: 7570/80962

Information Disclosure Statement

Commissioner of Patents
U.S. Patent and Trademark Office
2011 South Clark Place
Customer Window, **MS Missing Parts**
Crystal Plaza Two, Lobby, Room 1B03
Arlington, VA 22202

Sir:

Submitted herewith is a listing of documents known to Applicants and/or their attorney in compliance with the requirements of 37 C.F.R. § 1.56. Copies of the listed document are also enclosed.

Applicants do not waive any rights to appropriate action to establish patentability over any of the listed documents should they be applied as references against the claims of the present application. This statement should not be construed as a representation that more material information does not exist or that an exhaustive search of the relevant art has been made.

Consideration of the cited documents and making the same of record in the prosecution of the above-captioned application are respectfully requested.

Applicants do not believe any fees are due for the submission of this Information Disclosure Statement. However, the Commissioner is hereby authorized to charge any fee deficiency to our Deposit Account No. 06-1135 under Order No. 7570/80962.

Respectfully submitted,

FITCH, EVEN, TABIN & FLANNERY
